### **PUBLIC OPEN HOUSE ON THE 2015/2016 COMPREHENSIVE PLAN UPDATE**

On April 18, 2016 an open house will be held on the 2015/2016 Comprehensive Plan Update. The meeting will take place from 6 to 8 p.m. in the Enumclaw City Hall Council Chambers located at 1339 Griffin Avenue, Enumclaw.

The open house will feature information on the update process, including draft Comprehensive Plan chapters that have been prepared so far, and the timeline for considering all updates to the plan. Questions and input from the public are welcome.

Under state law, cities are required to do a major review and update of their plans based on a state schedule.

Much of the current update work is focused on updating data (for example, using current Census data) and making minor changes and clarifications.

Still ahead other public meetings by the Planning Commission and City Council on the 2015/2016 Comprehensive Plan update. A final decision by the City Council is expected this summer.

The Comprehensive Plan provides general guidance on land use, housing, transportation, capital facilities, and other community topics. It plans for a 20-year horizon. For the update underway, the new planning period is through 2035.
