PUBLIC OPEN HOUSE ON THE 2015/2016 COMPREHENSIVE PLAN UPDATE

On May 16, 2016 an open house will be held on the 2015/2016 Comprehensive Plan Update. The open house will take place from 6 to 8 p.m. in the Enumclaw City Hall Council Chambers located at 1339 Griffin Avenue, Enumclaw. The Comprehensive Plan provides general guidance on land use, housing, transportation, capital facilities, and other community topics. It plans for a 20-year horizon. For this update, the new planning period is through 2035. The open house will feature information on the process, including draft Comprehensive Plan chapters that have been prepared so far, and the timeline for considering all updates to the plan. Much of the current update work is focused on updating data (for example, using current Census data), making any minor changes, clarifications and policy updates regarding construction designs for single family residential home, commercial and industrial buildings, economic development, etc. Under state law, cities are required to do a major review and update of their plans based on a state schedule. These documents can be reviewed online (or copies may be request through the Community Development Department) here:
