RE: Adoption of the 2015 Enumclaw Comprehensive Plan and appendices as well as the adoption of certain development regulations as part of the comp plan adoption

Dear Mayor Reynolds:

Thank you for sending Growth Management Services the adopted Ordinances 2589 and 2590. These materials were received on July 28, 2016 and processed with the Material ID No. 22669 Adoption of the 2015 Enumclaw comprehensive plan and appendices as well as the adoption of certain development regulations as part of the comp plan adoption indicate the completion of your comprehensive plan review and update required under RCW 36.70A.130(1).

These ordinances, represent completion of the comprehensive plan and development regulation update process required under RCW 36.70A.130.

Your community has reviewed its comprehensive plan and development regulations to ensure the community is growing as envisioned and to bring your plan up to date with the latest laws and regulations. This update will also guide growth consistent with your community's vision of the future. We recognize the substantial investment of time, energy, and resources that these documents represent.

Congratulations to you, your planning commission, staff, and involved citizens for the good work represented by this phase of your update. If you have any questions or concerns about our comments or any other growth management issues, please contact Gary Idleburg at 360-725-3045 or gary.idleburg@commerce.wa.gov. We extend our continued support to the City of Enumclaw in achieving the goals of growth management.

Sincerely,

Mark McCaskill
