New Business:

Jayme assigned tasked to AC members. Each member was assigned roughly 4-6 tasks for the Art show. Jayme asked that 1-2 tasks were completed each month and that each member provide updates and measurables at each monthly meeting.

Art Walk-contacted Sasquatch artist Ryan Henry Ward, Lindsey and Jayme meet with school district. Jim has been tasked with reaching out to Ryan Henry Ward and other artists. Lindsey and Jayme will meet with school district on Jan 23 to discuss HS students joining the Art show. Rachel and Twyla will also reach out to other artists in the community asking them to join.

Jayme spoke with Arts Alive and Dusty Shelf, they would love to participate. We will keep the art show on Cole Street between Stevenson and Initial and mainly place artists in 10x10 tents. If weather is not good, we will move artists inside the Arts Alive and Chamber building. We also discussed clear marketing communication, so the community is aware of the art show and it logistics. We also discussed banners and signs on display at each art show table for good branding. Also, the need for AC members to meet and greet public and explain the art show and logistics.

Next Scheduled Meeting: 4 PM Wednesday February 4, 2026

Art on pedestal- Jayme will meet with Allison at city of Auburn asking for details about art monument program.

Ken Karstens art on display in Council Chambers

Old Business:

.

Anne presented a logo she designed for the “Art Stroll on Cole” it is attached.

Lindsay has setup a meeting with EHS art department. Meeting will be set for mid-January 2026

We continued the discussing; scavenger hunts find the hidden treasure in the “artwork”. Discussed a special guest artist (Ryan Henry Ward local Sasquatch artist and EHS graduate. Jayme reached out, waiting for reply.

We discussed a Enumclaw Community Forum Social media post where community members discussed the vacancy of art on the pedestal at City Hall. We talked about the history of art on pedestal. One vandalized and stolen and the other being an imposter. A local wood carver put a carving on the pedestal a few years back and it was compromised from weather events and was removed.

We discussed renting art works like the city of Auburn does. Jim Klienbeck, a current AC member and City of Auburn employee will put Jayme in contact with Auburn to discuss how the program works. Costs and vandalism are concerns of the commission.

We also discussed a survey to the community asking what kind of art they would like to see on the pedestal

Staff Comments (5minutes)

Janet would like to donate a Music Note statue to the city. She asks that the city move the monument at cities expense. We discussed as a board that the music note monument might not be a good fit for the City Hall art pedestal but maybe a good fit at a park.
