I. NEW BUSINESS

- A. Meeting summary from February 13, 2023 was approved.
- B. School Impact Fees. Pasinetti gave an overview of school impact fees as well as some history of the city's impact fees. Pasinetti stated there were two questions that staff would like to clarify. 1. Does the council committee wish staff would prepare a fee resolution and/or Ordinance to amend the fee to the amount specified in the District's Capital Plan and 2. Would the Council like the city to do this each year as part of the adoption of the District's Capital Plan. The CED Committee requested staff prepare a fee resolution and code amendment necessary to increase the existing School Impact Fee with the CPI for this year and every year thereafter.
