Enumclaw, WA 98022

Subject: **Certification of Enumclaw 2024 Comprehensive Plan**

Dear Mayor Molinaro,

I would like to congratulate Enumclaw on completing the comprehensive plan update and thank you and your staff for working with the Puget Sound Regional Council through the certification process. On June 26, 2025, PSRC's Executive Board acted to certify the Enumclaw 2024 Comprehensive Plan. This recognizes that the transportation-related provisions in the comprehensive plan conform to the Growth Management Act and are substantially consistent with multicounty planning policies and the Regional Transportation Plan. Certification makes your jurisdiction eligible to apply for PSRC's federal transportation funding and program funds in the Regional Transportation Improvement Program.

Coordinated planning is a hallmark of the Growth Management Act and [VISION 2050](#), the region's long-range plan. In a growing region, it is essential that jurisdictions work together on shared goals such as mobility, housing affordability, and protecting our environment. The city's plan helps move the region forward in advancing those goals.

PSRC has prepared a [certification report](#) that contains a summary of PSRC's review of the Enumclaw 2024 Comprehensive Plan. PSRC staff coordinated with city staff in the development of the report. The report describes the scope of the certification review as guided by the [Plan Review Manual](#), summarizes findings from the plan, and identifies areas where future work is needed to further VISION 2050, the Regional Transportation Plan, and the Growth Management Act.

Thank you for working with us through the plan review and certification process, and congratulations on this important accomplishment! Additional resources and information are [available online](#) and PSRC staff are available to provide assistance as needed. If you or your staff have questions regarding the review of local plans or the certification process, please contact Erika Harris at [eharris@psrc.org](mailto:eharris@psrc.org) or 206-464-6360.

Sincerely,

A handwritten signature in blue ink that reads "J. W. Brown".
