

It's Mowing Season! The City of Enumclaw requires lawns & fields to be mowed.

EMC 12.08.010 - All vacant properties under one acre in size shall be mowed at least twice between May 1st and September 30th of each year, once no later than June 1st and the second time no earlier than July 31st.

EMC 12.08.115 - All occupied properties shall be kept mowed such that the height of the grass and vegetation shall not exceed twelve inches, except for cultivated trees and shrubs.

EMC 12.08.020 - All vacant property, including wood lots, over one acre shall be cleared a minimum of fifteen feet from any property line abutting existing developed property line and then mowed and maintained according to the above schedule each year.

EMC 12.08.030 - Fields used for the growth and harvesting of hay shall be mowed at least once between May 1st and September 30th of each year.
