

Utility Emergencies and Locates

If you smell a gas odor, see downed power lines or have a utility emergency during regular business hours (9:00AM - 4:00PM) please call 360-825-5541.

If it is after regular business hours (4:00PM - 7:30AM) call 360-825-3505.

In an emergency, call 911.

Locates:

To have utilities located on your property, please call 811 two business days before you begin digging. This will alert your utility providers to come out and mark their buried lines from the street to your house for free.
