**STAFF REPORT**

---

**DEPARTMENT OF COMMUNITY DEVELOPMENT**

**TO: Planning Commission**  
**FROM: Chris Pasinetti, AICP, Community Development Director**  
**DATE: For the March 24, 2022 Planning Commission meeting**  
**SUBJECT: Temporary Sign Code Amendments, EMC Chapter 19.10.**

---

**V. Sign Code Amendments**

**PROPOSAL:** The proposal would amend the sign code specific to temporary signs. The amendments are necessary to clarify the code requirements regarding temporary signs and permits required for certain temporary signs.

**REVIEW AND BACKGROUND:** In 2018 the City of Enumclaw adopted Ordinance No. 2645 which adopted major revisions to the city sign code regulations. Implementation of the codes has been difficult regarding temporary signage for city staff and code enforcement. Particularly during election season. The proposed amendments will adopt reasonable regulations regarding temporary signs, locations, sizes, and materials.

Exhibit A (see attached) amends the exemption and temporary sign sections within Chapter 19.10. In general, the Exemptions section (19.10.050) is edited, removing temporary sign exemption and legal non-conforming signs. The Temporary Signs (19.10.210) section is edited to outline the areas where temporary signs are not allowed to be placed. The section also states that signs that are two (2) square feet and limited to three (3) feet in height are exempt from a temporary sign permit. All other items remain as far as regulations are concerned.

The proposed amendments will help outline the rules and regulations for city staff and for the public.

**RECOMMENDATION:** Staff recommends the Commission review and discuss the proposed changes. A Public hearing with the commission and a recommendation from the commission to the council is necessary. After the recommendation, the city council will hold a public hearing prior to adoption.
