

Enumclaw Comprehensive Plan Update

UPCOMING TRANSPORTATION WORKSHOP

Tuesday, September 12, 6-8pm at the Enumclaw Senior Center (1350 Cole Street)

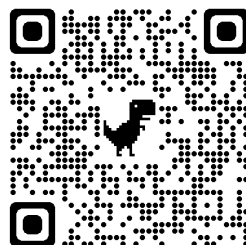

COMPREHENSIVE PLAN PROCESS

- Establish a 20-year community Vision: What will Enumclaw be like in 2044?
- Engage the community throughout the update process. This engagement is required by state law - we need to hear from all parts of the community.
- Assess Existing Conditions:
 - *What does Enumclaw look like right now in terms of population, housing, and employment?*
 - *How well is the community being served right now by things like parks, water, sewer, public buildings and services (fire, police, library, etc.), traffic, sidewalks, bike paths, etc.?*
- Take a look at forecast growth: How will Enumclaw accommodate new housing and jobs?
- Map out lands for residential, commercial, and open space uses.
- Create growth strategies, goals, and policies to accommodate the community's Vision.
- Adopt a new Comprehensive Plan by December, 2024.

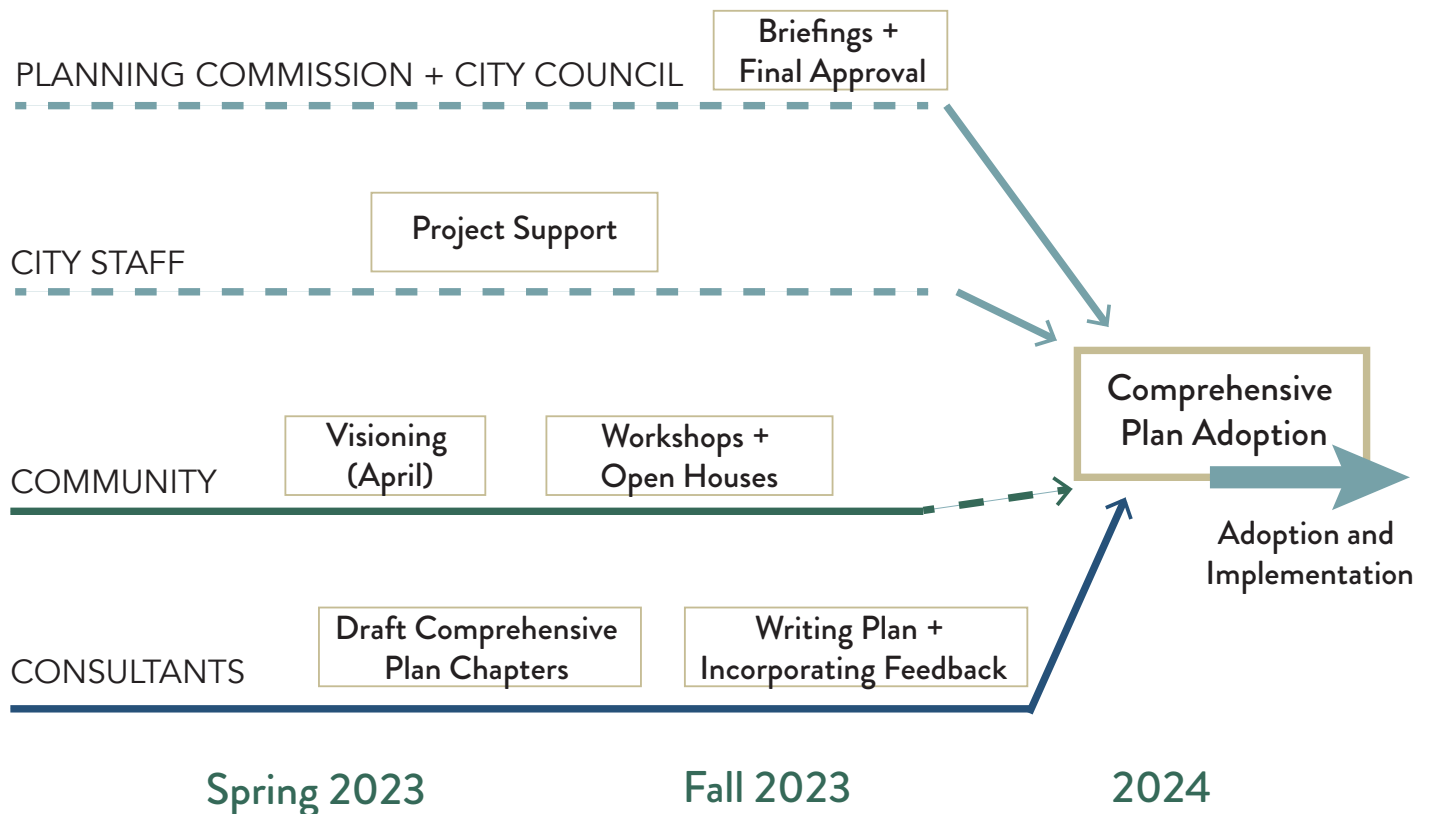

Additional questions can be sent to Isaac Anzlover at compplan@ci.enumclaw.wa.us

Enumclaw Comprehensive Plan 2024 Update Process

EVENTS + HOW TO STAY INVOLVED

Past Events:

- April 25: Visioning Workshop
- May 23: Discuss Housing Needs
- June 13: Review Land Use Scenarios

Upcoming Events:

- **September 12: Transportation Workshop at the Enumclaw Senior Center from 6-8pm.**

Sign up to receive updates by emailing compplan@ci.enumclaw.wa.us. There will be opportunities for community review of drafts in late 2023 and early 2024, and public hearings will be held during adoption in 2024.
