Food Scrap Recycling

Yard waste customers can put food scraps in the yard waste cart at no extra cost!

Food scraps and food-soiled paper make up more than 30% of residential garbage! You can recycle fruit, vegetables, meat, bones and dairy scraps, and food-soiled paper with your yard trimmings in the yard waste cart provided by the City of Enumclaw

If You Have Extra Yard Waste

All yardwaste must fit inside the cart, with the lid closed. Additional yardwaste can be picked up curbside for an additional charge.

Extra(s) must be placed at the curb in:

- Paper yard waste bags
- Cans with handles and lids (32 gal, 65 lb limit).
- Label cans "yard waste."

****No plastic bags****

Not a Yard Waste Customer
